Dear Mr. Wood:

I have understood that your society might be interested in the purchase of a few "clipped" coins from Bolivia, as well as some other old coins from that country and Peru. Date of the "clipped" coins is 1740.

I hope to be in New York the latter part of this month and would be glad to call and show them to you in case you are interested.

If not, I would appreciate any information you may be able to offer as to possible purchasers.

Thanking you for the intrusion, I am,

Yours very respectfully,

V. D. Roberts.

Dear Sir:

We would be pleased to see you when you come to New York but can hold out little encouragement that we would buy many of your coins as we have an extremely fine collection of Bolivian pieces. At the present time I do know of anyone interested in these but by the time you come up will probably be able to think of someone.

Very truly yours,

HW:JG
